

Calling All Skilled Marine Technicians! Join the Bunch Marine Family in East Tennessee!

Bunch Marine has been the trusted name for boating in East Tennessee, and our service center is busier than ever! We're on the lookout for experienced and personable **Marine Technicians** to join our dedicated team and help us continue our legacy of "No Body Does It Better!"

As a Marine Technician at Bunch Marine, you will be responsible for the critical maintenance, repair, and inspection of a variety of boats. Your expertise will ensure these vessels are in top working condition, meet stringent safety standards, and operate with optimal efficiency. This involves hands-on work with mechanical, electrical, and plumbing systems, **skillful diagnostics**, and the execution of both routine upkeep and **major** repairs.

Key Responsibilities of a Marine Technician at Bunch Marine:

- **Maintenance and Inspection:** Performing thorough routine maintenance, detailed inspections, and proactive preventative maintenance on vessels to identify and resolve potential issues before they escalate.
- **Repair and Replacement:** Expertly diagnosing and repairing mechanical, electrical, plumbing, and hydraulic systems, encompassing vital components like engines, propulsion systems, and steering mechanisms.
- **System Troubleshooting:** Efficiently troubleshooting and accurately diagnosing complex issues within various marine systems, including engines, intricate electrical networks, and powerful hydraulic systems. **This may involve working with the manufacturer's team.**
- **Installation and Modification:** Skillfully installing new equipment, integrated systems, and various accessories on customer vessels.
- **Safety and Compliance:** Diligently ensuring all vessels meet required safety standards and relevant regulations.
- **Customer Communication:** Clearly and professionally communicating with customers regarding necessary repairs, completed maintenance, and any potential issues identified.
- **Record Keeping:** Maintaining meticulous and accurate records of all repairs and maintenance services performed on each vessel.
- **Working with Specialized Equipment:** Proficiently utilizing specialized tools and advanced equipment to effectively diagnose and repair a wide range of problems.

Specific tasks may include:

- Ability to work well with co-workers
- Team Players only need to apply
- 1-year verifiable Marine or Automotive Industry experience
- Ability to diagnose and troubleshoot issues
- Ability to read and transcribe data to maintain accurate records
- Ability to complete paperwork as directed

- Mercury Certified or ability to become certified (Techs)
- Manual dexterity in both hands and arms
- Ability to Lift a minimum of 50lbs several times during a day.
- Ability to handle boats

As a family-owned and operated business since 1962, we pride ourselves on fostering a supportive and enjoyable work environment where every team member, from service techs to sales reps, is valued. If you're someone who:

- Values honesty and integrity
- Loves tackling challenges and finding solutions
- Works hard and plays hard (watersports enthusiasm is a plus!)
- Is eager to learn and grow
- Thrives in a team setting

...then you might be the perfect fit for Bunch Marine!

As a Bunch Marine team member, you'll enjoy:

- **Comprehensive Health, Vision, and Dental Insurance**
- **Supplemental Insurance including Disability, Accident and Life**
- **A solid SIMPLE plan for your future**
- Generous paid time off and paid holidays
- Competitive wages, commensurate with your experience
- Fantastic discounts on our wide range of products and services
- Real opportunities for professional growth within the company
- A relaxed and casual work atmosphere
